Committee Opportunities

Get Involved!

There's nothing more rewarding than volunteering your time and talent to make the community where you live and work a better place. Joining a committee is a great place to begin your chamber experience. It allows you to forge relationships in a smaller environment from which you will expand.

Ambassadors

Ambassadors mentor new members; it is their responsibility to communicate regularly with their assignees on Chamber programs, events and committees. Ambassadors must be knowledgeable on the many benefits of Chamber membership.

Business Leads Group

The purpose of this program is to provide members the opportunity to further their sales and marketing efforts by exchanging leads, ideas and information.

Education Committee

This committee is responsible for bringing programs to members that keep them informed on important educational issues impacting business.

Government

Chamber liaisons attend Creve Coeur and Olivette Council meetings and report to the Board of Directors on issues that impact the business community. Committee liaisons also pay attention to state and federal legislation that could affect our businesses.

Transportation

Serving on this committee is a great way to learn about current or proposed road and bridge improvements in the region. You will discuss and study issues and make recommendations to the Chamber's Board of Directors.

Membership Development

Selling the Chamber and its benefits is a lot of fun, a great way to meet new area business owners and expand your customer and client base. Help organize and coordinate a membership development program.

Various Event Committees

Dinner Auction Committee

Each year the Chamber hosts its Annual Dinner & Dance Auction – This is the largest fundraising event of the year. The committee is responsible for coordinating donations, generating attendance and assisting during the event.

Business Expo, Business After Hours and Taste of Area Restaurants

This annual event is co-sponsored by the Regional Chamber of Commerce (RCGA). Members display and promote their goods and services to local and regional businesses. Attendees enjoy complimentary foods and beverages from member restaurants; a Business Card Exchange is held at the same time

Golf Committee

For all golf enthusiasts, this is a great committee to join. The committee plans the event and recruits golfers and sponsors.
