# TRY YOUR CHAMBER FAMILY FIRST DISCOUNT PROGRAM

We encourage all our members to consider shopping our chamber family of members before considering the general public. To help our members we are starting a member-to-member discount program we are calling, *Try Your Chamber Family First*.

In today's trying economy we all are looking for ways to cut expenses. So what better way is there than to support each other by providing an exclusive discount that encourages shopping from your chamber family members? The discount must be unique exclusively for our members and there is no cost to offer a discount. The discounts will be posted on our website for one month and are limited to ten discounts a month. Names of the participating members will be included in the monthly newsletter as well.

Discounts potentially:

- Increase traffic and visibility
- Provide added value to members buying your product or service
