# PRESIDENT'S MESSAGE

By Tina Powell

It's hard to believe that more than half of the year is now behind us and fall has arrived! To me, this season has always signified a time of reflection and giving thanks for all that I have had the opportunity to experience and share so far throughout the year.

As I reflect on our year at the Chamber so far, I am especially thankful to have had the wonderful opportunity to work with many

talented and dedicated Chamber members and City Officials. I am continually amazed by what a wonderful community we have and how well we all prosper when we help each other. Special thanks to each of the many volunteers that have helped to make the Chamber successful this year!

For a great opportunity to experience the wonderful fall weather, don't miss the upcoming "Party in the Park" in Olivette on September 24<sup>th</sup> at 5pm held at Stacy Park! And if you love to play golf, you won't want to miss our Fall Golf Tournament being held on September 28<sup>th</sup> at the Landings at Spirit Golf Club for even more outdoor fun! We also have quite a few events lined up for mid-October, so be sure to stay tuned for more details coming soon!

Before the busy holiday season sneaks up on us, I hope you are able to take some time to reflect upon the successes you have experienced throughout the year so far!

## TESTIMONIALS

We are adding a Testimonials page to our website at [www.ccochamber.com](http://www.ccochamber.com). You can help us to spread the word by writing your testimonial about what your experience has been as a member in the Creve Coeur-Olivette Chamber. In 75 words or less, help us publicize all the great things that the chamber does for the business community by telling others what Chamber membership has meant to you. This is one more easy way to get noticed. A strong chamber benefits everyone!

# TWO CHAMBER MEMBERS HONORED BY SMALL BUSINESS MONTHLY

## SELECT PERSONNEL

NAMED AS ONE OF THE REGION'S BEST  
EMPLOYMENT FIRMS

Select Personnel, owned by Kathy Franklin, pictured above, was honored as one of the best employment firms in the August 2010 *Small Business Monthly* publication.

"Selecting the right person for the job is a very important decision. It takes valuable time and money out of your business day to advertise, screen applicants, and give what seem to be endless interviews," said Kathy Franklin.

Select Personnel offers over 30 years of staffing experience. Have you ever seen a person that can actually do the work but does not fit in? Select Personnel takes pride in offering the "right" employees for the companies it represents. Companies make the selection from temp-to-hire, straight hire or temporary. "Our temp-to-hire is what I like to call 'try before you buy' and it applies to both the applicant and the employer," Kathy says. Give Select Personnel a call at (314) 997-3033.

Danny Gurvis

Photo by Bill Sawalich, Barlow Productions,  
courtesy of *Small Business Monthly*

On August 19<sup>th</sup> *Small Business Monthly* held a luncheon to recognize the area's top entrepreneurs with fewer than 20 employees. Danny Gurvis from Master Key Systems America was honored as one of the "Top 20 Under Twenty". Reprinted below, with permission, is an article written by *Small Business Monthly*.

In July 2006, when Danny Gurvis was challenged by a colleague at BiLock, a distributor of a high-tech security product line, to work on a business plan and start his own company, he took the challenge seriously. He spent six months writing the plan for Master Key Systems America LLC, a residential and commercial locksmith business, and by December was off and running. "The first nine months were spent procuring machinery, tools, equipment, inventory, developing a marketing plan, and advertising, all on a shoestring budget," says Gurvis.

A native of Melbourne, Australia, Gurvis worked as an apprentice in the locksmith industry, learning from the best and mastering his trade. Today he has used his experience to train two part-time employees and increase Master Key Systems' revenue by around 500%. "From the humble beginnings of one job each week, we are now attending to approximately three to five job requests per day," he says. "Our inventory has certainly grown, and we are installing biometric access control systems and closed-circuit television systems. We are also installing key control systems for banks, schools and office-based companies seeking greater control of their inter- and intra-office mechanical physical security systems."

THE MARK OF  
QUALITY.

## MARKETING 101

How are you marketing your business? Have you ever noticed how no one knows you are there until you figure out a way to draw their attention to your service or business? Have you also noticed how in good times you love to market your business and in challenging times you have to market your business? Few business owners and professionals have the budget they would like to have to get the word out about how different they are from the competition, but here are several things to keep in mind about your marketing plan:

- 1) Repetition is a key element for effective marketing. People are bombarded by marketing messages everyday. You can't expect people to remember you from one or two personal or marketing interactions.
- 2) Diversification is critical. You can't spend all your marketing dollars in one place and expect to be effective.

Now is the time to begin thinking about your marketing plans for 2011. Consider the following options to make the Chamber an integral part of your plans:

- 1) Donate 50 items for the prospect gift bags. Get the word out to businesses who are not chamber members (yet). See more information on this in the article on the right.
- 2) Sign up for occasional email blasts (for as little as \$200 you can blast each quarter to our members).
- 3) Consider the Chamber Partnership Program. Your logo and name will be used in all media press releases and marketing materials for the year. Your company will be featured on the chamber website and be recognized as a membership meeting sponsor for the month of your choice. \$1,500
- 4) Sponsor a Membership lunch for \$200 and have the opportunity to talk to our membership and to put fliers on each table for members and guests.
- 5) Sponsor an event to show your support for the chamber.

The Creve Coeur-Olivette Chamber is here to be a strong advocate for business. Let us help you succeed!

## CHAMBER PROSPECT GIFT BAGS Stretch Your Marketing Dollars

In an effort to expand our *Business to Business* marketing efforts, we have created a new way for your business to get more exposure. Each week we are visiting non-member businesses to introduce them to the benefits of joining our chamber, and we will be leaving prospect gift bags with them. Those bags will be filled with our members' items.

We are gathering small items to put into the gift bags. This will benefit your business by getting your name out in front of a greater number of businesses.

Please consider giving 50 items such as free coupons for your service or promotional items such as chip clips, pens, etc. We ask that you deliver your items to the chamber office.

## New Member Breakfast

Friday, October 15, 2010

Delmar Gardens of Creve Coeur

8:00-9:30 a.m.

## AUGUST COFFEE CONNECTION

Our thanks to Dr. Paul Hyland and the Committed to Health Chiropractic Center for hosting the August Coffee Connection. Nearly 40 people attended the meeting, of which eight of them were prospective members and two were new members. Everyone toured the facility and had a great time networking. Committed to Health Chiropractic Center provided gift bags as people left and several members enjoyed a free massage. One lucky new member won a \$25 gift certificate to The Melting Pot Restaurant, courtesy of Mike Hobbs.
